Exercise: Adding WordArt and other text effects

Note: You can pass this course and all graded assessments without access to the downloadable version of Word.

How to complete this exercise

To complete this exercise, you will need access to Microsoft Word.

Note: Keep in mind that if you are using another version of the Microsoft Word application, some features covered in this exercise may not be available.

Access Microsoft Account

[Log in to your Microsoft account.](#) Type the email, phone number, or Skype sign-in that you use for other services (Outlook, Office, etc.), then select Next. If you don't have a Microsoft account, you can select No account? Create one!

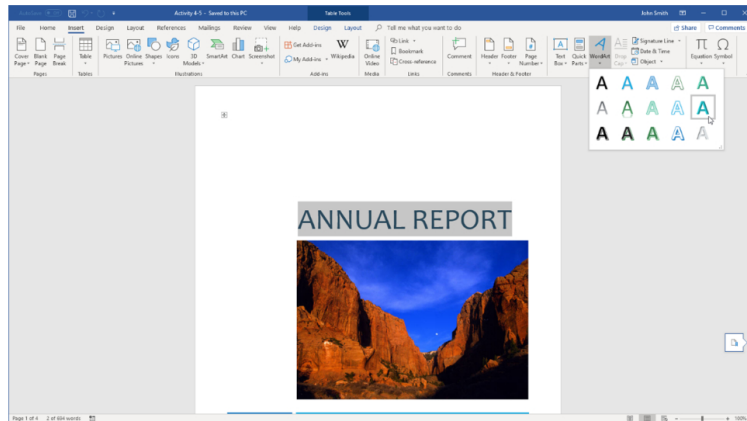

Let's get started!

In this exercise, you will add WordArt and a drop cap to your annual report.

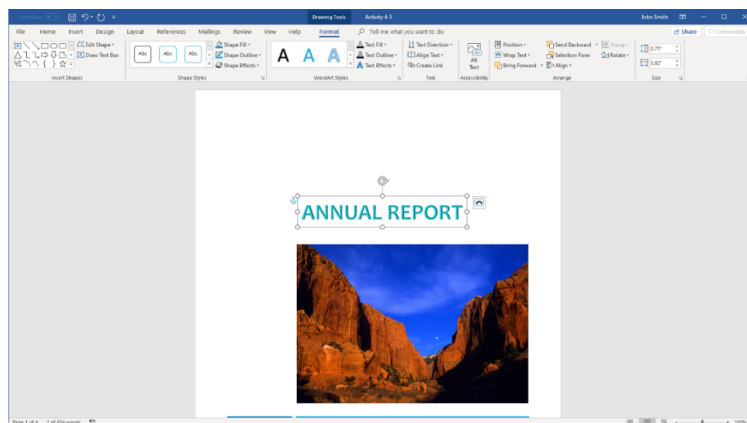

1. Click on the link below to open the Microsoft Word exercise document you can use to complete this exercise.

[Exercise: Adding WordArt and other text effects](#)

2. On the title page, select the "Annual Report" text. Click Insert → WordArt and choose any style you like:

3. The WordArt will be created and selected:

Instructor Tip: If the results are not as expected, cut the text, create the WordArt, and paste it.

4. Click the Layout Options button beside the WordArt:

5. Click the "Fix position on page" radio button:

6. Click and drag the top right-hand corner handle of the WordArt up and out so that the box is about the same length as the image and about 1.5 inches tall:

7. Select the text in the WordArt box. Use the mini toolbar to increase the font size to 48:

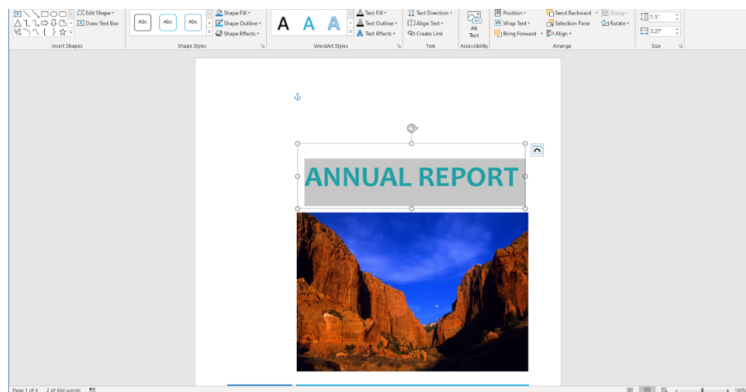

8. Now, click Drawing Tools – Format → Align Text → Middle:

9. Your cover page should now look like this:

10. Scroll to the second page of the document. Click to place your cursor inside the first paragraph:

11. Click Insert → Drop Cap → Dropped:

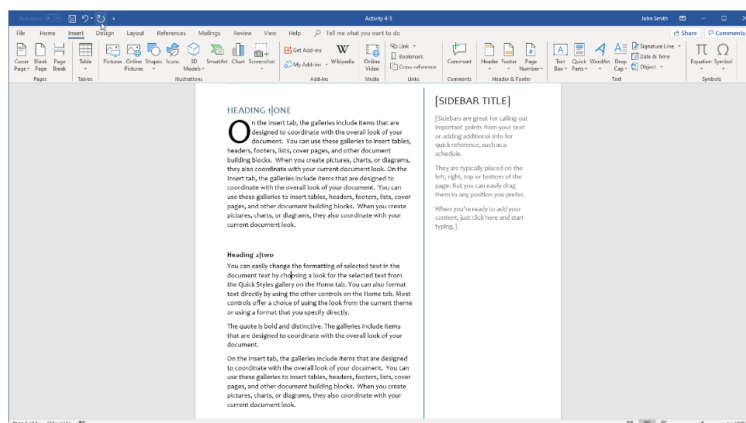

12. Here is the result:

HEADING 1 JONE

On the Insert tab, the galleries include items that are designed to coordinate with the overall look of your document. You can use these galleries to insert tables, headers, footers, lists, cover pages, and other document building blocks. When you create pictures, charts, or diagrams, they also coordinate with your current document look. On the Insert tab, the galleries include items that are designed to coordinate with the overall look of your document. You can use these galleries to insert tables, headers, footers, lists, cover pages, and other document building blocks. When you create pictures, charts, or diagrams, they also coordinate with your current document look.

13. Click to place your cursor in the first paragraph under Heading 2. Click the Repeat arrow on the Quick Access Toolbar to add a drop cap here as well:

14. Save your document as Activity 4-5 Complete. Close Microsoft Word 365 to complete this exercise.

15. Now, you can check out an example of a completed document in the link below:
