Center of Excellence starter kit

The Center of Excellence (CoE) Starter Kit is **a collection of components and tools** that are designed to help you get started with developing a strategy for adopting and supporting Microsoft Power Platform, with a focus on Power Apps and Power Automate.

You can read more about how to set up the CoE starter kit [here](#).

Note: When you open the Center of Excellence starter kit below, the starter kit will download automatically into your 'Downloads' folder.
