

**Your grade: 100%**Your latest: **100%** • Your highest: **100%** • To pass you need at least 80%. We keep your highest score.[Next item →](#)

1. When you created the model-driven app you had to edit the Subarea to specify an entity. In this context what does the word entity mean?

1 / 1 point

☒ Table **Correct**

Correct! The entity is the table in the Dataverse that the model-driven app is based on.

☐ Data Model

2. When you were finished designing the app, what was the correct series of steps to see the app you had created?

1 / 1 point

☒ Save, validate, publish, and play. **Correct**

Correct! You save the changes, validate to check for any errors and then publish the app. It is then ready to play.

☐ Save, validate, play, and publish.
