Canvas app additional resources

Here is a list of resources that may be helpful as you continue to explore Microsoft Power Platform Fundamentals.

Tip
To open a resource link, right-click and select "Open in a new tab or window". That way, you can check out the resource and easily return to the module tab to unlock your achievement when done.

Important links from the lesson

- You can access Power Apps via your web browser, and sign in with your organizational account. Go to: https://make.powerapps.com ⧉

- You can download the exercise resources, including the Excel workbook required to build your canvas app. Go to: Contoso-Site-Tracking.zip ⧉

- If you do not have a Power Apps account available, you can sign up for a free Power Apps Community Plan. For more information and to sign up, go to https://powerapps.microsoft.com/communityplan ⧉/

- For a complete list of all of the functions available in Power Apps, check out the documentation here ⧉.

- To learn more about using formulas, check out the Microsoft Learning Path - Use basic formulas to make better Power Apps canvas apps https://docs.microsoft.com/learn/paths/use-basic-formulas-powerapps-canvas-app/ ⧉.

Licensing

To learn more about licensing in Microsoft Power Platform review the following links:

Microsoft Power Platform licensing overview ⧉

Microsoft Power Apps pricing ⧉

Microsoft Power Automate pricing ⧉

Microsoft Power Apps portals pricing ⧉

Power Apps

- Power Apps ⧉
- Power Apps Resources ⧉

Further Learning

- Navigation in a canvas app in Power Apps ⧉
- Customize a canvas app in Power Apps ⧉
- Manage apps in Power Apps ⧉

Mark as completed
